

## About Eden Valley

Located in North-West NSW Australia, Eden Valley is a beautiful sweeping valley planted with world class olive tree varieties and bordered with native Australian bushland.

Our ideal climate and natural growing conditions allow the trees to flourish and produce a variety of quality fruit for the table and oil.

## Eden Valley Products

By focusing on a product of exceptional quality and taste, Eden Valley has paved the way for its premium brand of olives.

This, combined with total on-grove solutions, ability to supply large markets and unique product branding, helps establish the Eden Valley Olive brand to olive lovers everywhere!

### Extra Virgin Olive Oil

Fresh, fruity, oil is guaranteed with the olives being crushed on-site by our oil processing factory within 6 - 8 hours of harvest.

### Premium Table Olives

Hand-picked olives are slowly brined in 200L barrels using traditional methods to create exceptional natural flavour.
